 I'm trying to	List their outcome or "job" the care about – what are they trying to achieve?	List the thing they are trying to achieve here
 but	Describe what problems or barriers stand in the way – what delays them most?	Describe the problems or barriers that get in the way here
 because	Enter the "root cause" of why the problem or barrier exists – what needs to be solved?	Describe the reason the problems or barriers exist
 which makes me feel	Describe the emotions from the customer's point of view – how does it impact them emotionally?	Describe the emotions the result from experiencing the problems or barriers

Example:

 I am a traveler	 I'm trying to book flights on my phone	 But it takes a long time	 Because the website is not responsive and doesn't have a mobile version	 Which makes me feel Frustrated
--	---	---	--	---

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	a Project Manager	manage projects, assign tasks, and control user access securely	unauthorized users may access or modify project records	user roles and permissions are not properly configured or enforced	concerned about project security, accountability, and data integrity
PS-2	a Team Member	view and update only my assigned tasks efficiently	I either have insufficient access or unnecessary permissions	access control is not role-based and workflows are not automated	frustrated because task updates become slower and less efficient
